Description

Welcome to the Sterling, a thoughtfully designed 1 level home in the heart of old Murrells Inlet. This versatile plan includes 3 bedrooms, 3 bathrooms, a private study with French doors, and a golf cart garage for added convenience. The true centerpiece of this home is the open-concept kitchen, great room, and dining area that wraps around a show-stopping 13-foot kitchen island. Abundant counter space and a walk-in pantry create a layout built for entertaining; this kitchen is as functional as it is impressive. Bedroom 3 is tucked away from the main living areas and includes its own private full bath. The spacious primary suite offers a huge walk-in closet and a spa-inspired ensuite, with a 5-foot walk-in tile shower with glass enclosure, dry-off seat, Moen rain and wall shower heads. This personalized Sterling boasts a covered-screened porch that creates an outdoor living space with a view of the pond and wooded area. This upgraded Gourmet kitchen includes Quartz countertops, a Kohler cast iron sink, Whirlpool wall oven/wall microwave, exhaust hood, under cabinet lights, soft close cabinet doors and drawers, a KitchenAid Induction cooktop, backsplash tile, and the huge faux cabinet-wrapped kitchen island. Step outside to enjoy the natural beauty from the huge 10x20 patio pad on the .51-acre homesite, perfect for relaxing evenings or entertaining guests. Additional features include Level 3 Mowhawk REV Wood flooring throughout the living area and bedrooms, upgraded Daltile in all baths and the laundry room, cabinets in the laundry room, upgraded Moen Plumbing fixtures and lever door hardware throughout, a designer trim package, Tray ceiling in the primary bedroom, and the Primary bath and bath 2 are insulated, upgraded Progress Lighting, and a utility sink in the garage. Located in the sought-after Northbrook community, this home offers quiet solitude away from the hustle and bustle with easy access to Brookgreen Gardens, Huntington Beach State Park, minutes to 2 public boat launches, and 1 mile to the Murrells Inlet waterfront, combining convenience with comfort. As America's number one energy-efficient homebuilder, we're proud that in 2025 our homes achieved an average net HERS® score of 32 (with solar)—the lowest publicly reported among the top 30 U.S. homebuilders by volume in Builder Magazine's Top 100 list (ranked by 2025 closings).
