Description

Welcome home to comfortable, single-story living in the quaint town of Landrum! Built in 2020, this well-maintained 3-bedroom, 2-bath home is nestled on a large, level .76 acre lot with gorgeous mountain views, all just outside the city limits. Inside, you'll find LVP flooring throughout the main living areas with carpet in the bedrooms. The spacious living room features soaring ceilings and a cozy gas log fireplace, creating an inviting space for everyday living and entertaining. The kitchen is equally impressive with granite countertops, a center island with storage, ample cabinetry, and a generous walk-in pantry. The primary suite offers a relaxing retreat with a beautiful tray ceiling accented by lighting, a large walk-in closet, and a spacious ensuite bath featuring dual vanities, a garden tub, and an oversized tiled shower that feels fit for royalty. A large walk-in laundry room provides exceptional functionality with a utility sink and plenty of built-in storage. Step outside to enjoy the screened-in porch, additional patio slab and pergola overlooking the expansive backyard. The property extends well beyond the fenced portion of the yard, providing plenty of space for a future workshop or additional outbuilding, gardening area, recreation, or simply room to spread out. Various fruit trees and bushes are already established, and the adorable outbuilding conveys with the property. And did we mention the setting? This property is tucked away at the base of Hogback Mountain, offering beautiful views and a peaceful country atmosphere while remaining convenient to Landrum's shops, restaurants, schools, and amenities. Located outside the city limits with no HOA and no restrictions, this property offers flexibility that is increasingly hard to find. Zoned for the highly sought after Spartanburg District One schools. Call today to schedule your private showing or for additional information!
