Description

Located on the 11th floor of the Landmark Resort, this spacious fully furnished one bedroom oceanfront condo is a rare opportunity for both investors and vacation home buyers. Lovingly maintained by its original owner, the unit has been a successful vacation rental for the past 21 years and continues to attract guests year after year. Recent updates, including fresh paint and new drapes, give the condo a clean, refreshed feel while maintaining its proven rental appeal. One of the standout features is that units ending in "26" are among the very few at the resort with this desirable floor plan, featuring a full kitchen, making them especially appealing for longer stays and enhancing their rental potential. The Landmark Resort is one of Myrtle Beach's premier oceanfront destinations, offering 17 water attractions, an on site 29 hole mini golf course, and an extensive lineup of amenities that keep guests returning year after year. Ideally located in the heart of Myrtle Beach, restaurants, shopping, entertainment, and popular attractions are all within walking distance, so there's no need for a car. Opportunities like this are rare, as only a handful of units offer this sought after floor plan.
