Description

Looking for a place to call home? You have found it in this classic ranch with an open floor plan on one end and the bedrooms on the other. The home features a wood burning fire place that you can use gas logs in to warm you in winter, and an updated HVAC to cool you in summer. The carport has been painted, a new back stoop has been added, as well as a new sliding glass door, and a new rock garden for low maintenance curb appeal. Enjoy the mature oak, magnolia, and crepe myrtles in the fenced back yard of the three- quarter acre lot- and did I mention the full-sized laundry room and two full baths in this well- maintained three bed home? Enjoy the bucolic beauty of a small community in this beauty!
