Description

Beautiful 16th-floor, 1-bedroom, 1-bath condo offering spectacular views from the private balcony and an unbeatable downtown location. This updated unit features laminate flooring throughout, a stylish kitchen with quartz countertops, stainless steel appliances, and updated cabinetry. A rare bonus—this is the only one-bedroom unit in the building with an in-unit Bosch washer and dryer and was the last unit approved for an in-unit laundry setup. HOA fees cover all utilities, including Wi-Fi, making for easy, low-maintenance living. Building amenities include 24-hour security/doorman, a gym, newly renovated swimming pool and BBQ area, and a breezeway providing convenient access to a deeded covered garage parking space. Located less than a block from the USC campus with the Law School just steps from the front door. The State House is only two blocks away, Downtown Main Street is approximately a 10-minute walk, and Five Points is about a mile away, offering plenty of dining, shopping, and entertainment. An excellent option for a student, working professional, or investor looking for a well-appointed condo in the heart of Columbia.
