Description

Buyer can receive up to \$10,000 to use towards closing costs, options or a combination of the two when using lending partner Silverton Mortgage and close on or before 10/29/26. The Poplar is a home that feels open and welcoming with a layout that keeps the main level connected and the upstairs private. Step inside through right into the heart of the home, where the great room and dining area flow together for an easy, open feel. The kitchen offers a functional layout and plenty of counter space, making it a great setup for preparing meals, hosting, or everything in between. The patio off the dining area gives you the perfect outdoor spot for grilling, relaxing, or enjoying fresh air. Upstairs, the primary bedroom is tucked away and includes its own ensuite bathroom with double sinks and a spacious walk-in closet. Two additional bedrooms are located nearby and share a full bathroom, offering flexibility for guests, kids, or a home office. The upstairs laundry room keeps everything simple and right where you need it. Conveniently located near Fort Jackson, Shaw Air Force Base, and downtown Columbia, this home combines comfort, convenience, and affordability in one exceptional package. Perfect for homeowners seeking modern design with easy access to work, shopping, dining, and entertainment. *Virtually Staged Landscape**Stock Photos*
