Description

Introducing a prime investment opportunity located at 160 Westhaven Dr. in Myrtle Beach—this well-maintained 8-unit multi-family property offers strong income potential in a highly desirable rental market. Ideally positioned just minutes from the beach, shopping, dining, and major roadways, this property provides convenience for tenants and consistent demand for investors. The building features eight, 3 bedroom, 2 bath thoughtfully designed units, each offering comfortable living spaces with functional layouts that appeal to long-term tenants. With a solid rental history and the potential for increased returns, this property is well-suited for both seasoned investors and those looking to expand their portfolio. Situated on a spacious lot with ample parking, the property offers ease of access and low-maintenance outdoor areas. Its location in the heart of Myrtle Beach places residents close to everything the Grand Strand has to offer, including entertainment, golf courses, healthcare facilities, and coastal attractions. Whether you're seeking steady cash flow, long-term appreciation, or a value-add opportunity, this multi-family asset presents a compelling addition to any investment strategy.
