Description

Welcome to 1613 SeaChase Way in SeaChase, a beautifully furnished and practically new 5-bedroom, 3.5-bath home in North Myrtle Beach, just minutes from the beach, dining, shopping and entertainment. This home has been barely lived in and was purchased as a second home, but the owners simply have not had the opportunity to enjoy it as much as they had hoped. The home is now available fully furnished and ready for its new owner. The main level features 9-foot ceilings, recessed lighting, modern six-panel doors, luxury vinyl flooring and plantation shutters throughout the main living areas. As you enter the home, a welcoming entry cabinet provides convenient storage. The dining area features an approximately 60-inch round table with six beautiful cream-colored upholstered chairs and a distinctive boat-style stand, complemented by a tray ceiling. The spacious living room features a gas fireplace and is furnished with a leather reclining sectional, accent chair, two end tables, floor lamp, area rug, TV and liquor cabinet. The kitchen is a standout feature of the main level, offering 42-inch white cabinets with crown molding, quartz countertops, stainless steel appliances, a gas stove, a nice-sized pantry, six bar stools and backsplash. The kitchen is fully equipped and furnished with everything you need, including silverware. The main level also includes a convenient half bath and a laundry area with GE washer and dryer, with storage located underneath the units. The primary suite is conveniently located on the main floor and features a tray ceiling, ceiling fan, carpet flooring, king-size bed, two nightstands, dresser and walk-in closet. The spacious primary bathroom features tile flooring, dual sinks, a walk-in shower with tile extending to the ceiling, linen closet and separate toilet area. Upstairs are four additional bedrooms, providing plenty of space for family and guests. The first bedroom features a private balcony, walk-in closet with a window, queen-size bed, two nightstands, tall dresser, cabinet and access to the Jack-and-Jill bathroom. The second bedroom features a queen-size bed, nightstand, tall dresser, spacious closet and access to the Jack-and-Jill bathroom. The third bedroom offers a queen-size bed, dresser with mirror, nightstand, ottoman and walk-in closet. The fourth bedroom is exceptionally spacious, features a queen-size bed, two nightstands, dresser, TV, two end tables, walk-in closet and access to the second full bathroom (this could be a second primary suite). Additional storage is located beyond the walk-in closet. The entire upstairs features blinds on all windows. Outdoor living includes a front porch, back porch and private balcony, along with a 6-foot privacy fence enclosing the backyard. A six-passenger golf cart is also included. Hardy board siding with 30yr architectural shingles. The home has FisionX community (internet included in HOA dues). Lawnmower, blower and weed eater are included. What else do you need? Extra-long drive that can fit 6 cars plus 2 in the garage. SeaChase is a sold-out community offering residents a beautiful pool, clubhouse, tennis courts, pickleball courts, grilling areas and shaded seating areas by the poolside. Just a golf cart away from the beach, dining, shopping and entertainment. With 2,449 heated square feet, a two-car garage, five bedrooms, 3.5 baths, multiple outdoor living spaces, extensive furnishings, a gas fireplace and a six-passenger golf cart included, this home offers the opportunity to own a practically new, fully furnished home in a sold-out North Myrtle Beach community without waiting for new construction.
