Description

Welcome to 168 Willow Court! Built in 2024 and gently lived in, this beautifully maintained 3-bedroom, 2-bath home offers the modern finishes of newer construction with thoughtful upgrades that make it truly stand out. Step inside to a bright, open floor plan with 9-foot ceilings and an easy flow between the family room, kitchen and dining area--perfect for everyday living and entertaining. The kitchen offers plenty of workspace and storage, while sliding glass doors off the dining area lead to the back deck for grilling, relaxing or enjoying the outdoors. A convenient side entrance opens into a mudroom complete with a built-in bench and storage. The split-bedroom floor plan provides added privacy, with the spacious primary suite tucked away on one side of the home. The primary bathures a double vanity, built-in linen storage and a large tiled shower. And then there's the closet! The current owner transformed the third bedroom into a girl's dream dressing room and custom closet, creating a boutique-style space for clothing, shoes, handbags and accessories. Keep it as the ultimate dressing room you've always wanted, use it as a flex space, or easily return it to its original use as the home's third bedroom. Situated on approximately .40 acre in Willow Place, this gently lived-in home combines modern style, comfortable living and a fun custom feature you won't find in every home. Conveniently located in Walterboro with easy access to shopping, dining and major travel routes. If you've been looking for a newer home without the wait of building--and a closet that might just steal the show--168 Willow Court deserves a look!
