Description

Back on the market at no fault to the seller! Welcome to this well-kept 3 bedroom/2 bathroom home situated on a spacious +/- .59-acre lot in Roebuck! Offering a functional floor plan, thoughtful updates, and plenty of outdoor space, this home is ready for its next owner. Make your way inside the front door and you're welcomed into the open living, kitchen, and dining area, creating a comfortable space for everyday living and entertaining. The kitchen features a corner island, dishwasher, built-in microwave, smooth cooktop, and beautiful subway tile backsplash. The living room is anchored by a stone-surround fireplace, adding warmth and character to the space. All three bedrooms are conveniently located on the right side of the home. The owner's suite features a private full bathroom, while two additional bedrooms share a second full bath. Just off the main living area, a few steps lead down to a versatile flex space that can easily serve as a recreation room, home office, playroom, workout space, or whatever best fits your needs. This area flows directly into the walk-in laundry room, adding convenience and functionality to the home. Outside, enjoy the privacy of the fully fenced backyard, offering plenty of room for pets, outdoor activities, gardening, or simply relaxing. A detached outbuilding with electricity provides additional storage and workspace, along with room to accommodate one vehicle. With a well-maintained interior, flexible living spaces, a fenced yard, and nearly 0.6 acres, this Roebuck home offers the space and versatility you've been looking for!
