Description

Welcome Home! New construction and move-in ready on a private .83-acre wooded lot with no HOA. Set back from the road, a long driveway winds through the trees and leads to this beautiful single-level home, offering a level of privacy that's becoming increasingly difficult to find. Step inside to a bright and welcoming living room that opens directly to the kitchen and dining area, creating a comfortable layout that's ideal for both everyday living and entertaining. With over 1,600 square feet, the home features quality laminate flooring throughout the main living areas, granite countertops, stainless appliances, pantry storage, and a large kitchen island that serves as the heart of the home. The spacious Owner's Suite features private access to the rear patio, a large walk-in closet, dual vanities, and a beautifully tiled shower. Two additional bedrooms, a full guest bath, and a walk-in laundry room with extra cabinetry provide the space and storage today's buyers appreciate. Enjoy your morning coffee or unwind in the evenings on the rear patio overlooking the wooded backyard, with access from both the dining area and the Owner's Suite. An attached two-car garage and additional parking pad provide plenty of room for vehicles, guests, and hobbies. Conveniently located just minutes from Downtown Spartanburg, Spartanburg Regional Medical Center, shopping, dining, I-85, and I-26, you'll enjoy easy access to Greenville, GSP International Airport, BMW, and the rest of the Upstate. New construction, nearly an acre of land, a private wooded setting, and no HOA restrictions. 180 Anita Drive offers the space, privacy, and freedom that are becoming harder to find in today's market.
