This 3-bedroom, 2-bath manufactured home offers 1,414 square feet of comfortable living space set on a spacious 1.81-acre lot, with no HOA to slow you down. Whether you're dreaming of a garden, room for your boat and toys, or simply elbow room between neighbors, this property delivers. Inside, the open living and dining areas provide a welcoming space to gather, while the split-bedroom layout offers privacy for the primary suite. The primary bath includes a soaking tub, and the additional two bedrooms share a full second bath, perfect for family, guests, or a home office setup. Outside, the acreage opens the door to endless possibilities: park your RV, add a workshop, keep animals, or simply enjoy the quiet of country living just minutes from Loris amenities and a short drive to Myrtle Beach's dining, shopping, and coastline. No HOA restrictions mean the freedom to make this property truly your own.
