Description

This is one of the final opportunities to own a brand-new home in Hamilton Townes. Designer selections have been ordered through the LS Homes Design Studio, creating a thoughtfully coordinated interior with elevated finishes throughout. Estimated completion is Q4 2026. Featuring the Hudson floor plan, this home offers more than 2,200 square feet of thoughtfully designed living space with a main-level primary suite, three bedrooms, two and a half baths, a dedicated home office, spacious upstairs loft, walk-out attic storage, and attached two-car garage. The professionally selected interior showcases a fresh, sophisticated palette. The kitchen features Bright White cabinetry, a contrasting Willow Gray island, Calacatta Pearl countertops, and upgraded wide-plank LVP flooring throughout the main level. Matte black lighting and plumbing fixtures add a modern finishing touch! From the moment you enter the two-story foyer, the Hudson delivers the feel and functionality of a single-family home paired with the convenience of low-maintenance living. The chef's kitchen features soft-close cabinetry, stainless steel appliances with a gas range, generous prep and storage space, and an oversized island overlooking the open living and dining areas. The main-level primary suite offers a private retreat with a spacious walk-in closet and ensuite bath featuring Bright White cabinetry, Heirloom Gray countertops, matte black plumbing fixtures, and upgraded ceramic tile throughout the primary ensuite's shower and bathroom floor. Upstairs, two generously sized bedrooms feature with walk-in closets. A full bath with double sinks serves the secondary bedrooms, while the spacious loft features the same upgraded wide-plank LVP flooring found throughout the main living areas. A walk-out attic provides exceptional additional storage. Outdoor living includes a screened in covered porch and private fenced backyard, with HOA-maintained landscaping offering both privacy and ease of ownership. Hamilton Townes is designed for true lock-and-leave, low-maintenance living. Located within the highly sought-after 1,100-acre planned Verdae community, this home offers convenient access to I-85 and I-385, premier shopping, dining, and entertainment, and is just minutes from downtown Greenville. Residents also enjoy convenient access to the newest Swamp Rabbit Trail extension for walking, biking, and outdoor recreation. With construction underway and designer selections already ordered, this is a rare opportunity to secure one of the final new-construction homes in Hamilton Townes. Contact the listing agent for current availability, construction updates, and complete details on the designer-selected finishes.
