Description

This is quintessential Lowcountry living, with expansive outdoor spaces designed to take full advantage of the setting. Multiple porches, a screened porch, deck and wrap around patio offer plenty of room to entertain, relax, and enjoy the marsh and water views. A private dock extends over the tidal creek and is equipped with power, water, and a boat lift. Beautiful wood double front doors make a striking first impression and open to the welcoming foyer, with a formal dining room on one side and a flexible room on the other. Currently used as a study, this space has its own full bath and can easily serve as a guest bedroom or home office. Straight ahead, the great room features a gas fireplace and opens to the kitchen and breakfast area, where walls of windows keep the marsh and water views front and center. Just off the kitchen, a coffee and wine bar connects to the dining room, while a built-in office nook and spacious laundry room add everyday functionality. Also on the main level is the primary suite, offering a generously sized en-suite bath, a large walk-in closet, and direct access to the screened porch. Upstairs, you'll find three additional bedrooms, including one with a private en-suite bath, while the other two share a Jack-and-Jill bath. A second living space, currently used as a media room, provides plenty of room to spread out. The elevated construction provides a massive ground-level garage with exceptional space for vehicles, storage, and all the gear that comes with life on the water, along with additional covered outdoor living space. With its rare waterfront setting, private dock and boat lift, flexible floor plan, generous indoor and outdoor living spaces, and over eight-tenths of an acre, 1924 Shields Lane offers a lifestyle and setting that are increasingly hard to find in Mount Pleasant.
