Description

Welcome to 1996 Lucknow Road, where peaceful country living meets everyday convenience! Nestled on approximately 10 acres just outside Camden, this charming 3 bedroom, 2 bathroom home offers a warm and inviting place to settle in, with the space, privacy and possibilities that are becoming harder to find. Inside, you'll find several nearly new appliances, including an LG washer and dryer, LG dishwasher and Whirlpool refrigerator/freezer, all less than a year old. Step outside and you'll quickly see what makes this property so special. Enjoy quiet mornings or relaxing evenings on either the covered back or front porch, explore the wooded portion of the property complete with a hunting stand, or take advantage of the fenced pasture, barn, chicken coop, garden area and detached garage/workshop. Whether you've dreamed of creating a mini homestead, growing fresh produce, keeping chickens, enjoying the outdoors, or simply having room to spread out, this property offers plenty of possibilities for making it your own. Adding to the country charm are mature pecan trees, along with newly planted pear, fig and mulberry trees ready to grow alongside their new owners. Enjoy the peace and privacy of acreage while still being approximately 15 minutes from downtown Camden, shopping, dining, and everyday conveniences. Schedule a showing and come experience the space, serenity and possibilities that await you here!
