Description

If you've been waiting for that just right oceanfront condo---the one that feels special the moment you walk in---this is it. Welcome to a rare 3-bedroom, 2-bath end unit in Carolina Winds, set along the highly sought-after Golden Mile in Myrtle Beach. Opportunities like this don't come around often---especially one that's been lovingly cared for as a second home and never rented. Step inside and you'll notice how bright and open the space feels, thanks to its end-unit location and extra windows. Natural light fills the home, highlighting thoughtful touches like plantation shutters and a kitchen with granite countertops---perfect for gathering and unwinding after a day at the beach. The oceanfront primary suite is where this home really shines. Wake up to sweeping views of the Atlantic Ocean, step onto your private balcony with coffee in hand, and take in miles of coastline. The ensuite bath features a tiled walk-in shower and radiant heated floors for added comfort. The additional bedrooms offer a relaxed coastal feel, making it easy for family and guests to settle in and feel at home. And then there's the balcony---arguably your favorite "room." This is where mornings begin, afternoons slow down, and evenings end with the sound of the waves. Beyond your front door, the resort-style amenities at Carolina Winds elevate the experience with indoor and outdoor pools, a lazy river, hot tubs, a fitness center, and direct beach access. Being sold fully furnished, this home is truly move-in ready---ideal as a primary residence, vacation getaway, or investment. All of this, just minutes from golf, dining, shopping, and everything the Grand Strand has to offer---yet tucked into one of the most desirable stretches of beach.
