The home still maintains the timeless charm of a classic brick ranch! Home was taken down to the studs and completely rebuilt with quality updates throughout, including all-new electrical wiring, plumbing, windows, drywall, flooring, cabinetry, lighting, champagne brass fixtures and tankless hot water heater. The kitchen and bathrooms are especially impressive featuring quartz countertops, extra deep sink basins, and beautiful tile floors. Easy living with 3 bedrooms, 2 full bathrooms, a comfortable living room, a spacious kitchen with dining area, and a convenient laundry area—are all on one level! More than two thirds of the walkout basement is finished to upstairs standards, and provides incredible flexibility with a huge bonus room, a large workshop, and a one-car garage. Outside, the expansive 2+ acre property provides endless opportunities, such as gardening, outdoor entertaining, or simply enjoying the peace and quiet of a private backyard.
