Description

A rare offering along Myrtle Beach's prestigious Golden Mile, 201 80th Ave N combines exceptional privacy, captivating ocean views and refined coastal living just steps from the Atlantic. Positioned on nearly half an acre at the corner of Beach Drive and 80th Avenue North, this beautifully reimagined 4-bedroom, 4-bath residence offers approximately 4,199 heated square feet in one of Myrtle Beach's most coveted residential settings. Ocean views can be enjoyed from multiple rooms throughout the home, creating a constant connection to the coastal surroundings. Thoughtfully renovated during the current ownership, the residence blends timeless character with sophisticated modern updates. The kitchen and primary bath were completely redesigned with new appliances, fixtures and finishes. Nearly all windows have been replaced with high-impact glass, while electric hurricane shutters protect the sliding doors. Additional improvements include a new roof on the original residence, repaired flashing, gutters in key areas, a freshly painted exterior, reconfigured retaining walls and rear stairs, and the addition of a screened porch. The outdoor living experience is equally impressive. The elevated homesite provides exceptional privacy for outdoor living and recreation and may offer advantages regarding flood insurance requirements, subject to flood-zone designation and lender requirements. Surrounded by mature landscaping and beautiful live oaks, the private backyard feels like a secluded coastal retreat. A heated saltwater pool with tanning ledge, spa and swim-up bar anchors the space, complemented by a cabana, built-in grilling area, half bath, outdoor shower and fire pit. The screened porch creates an inviting setting for al fresco dining and relaxing while remaining protected from nuisance insects. The expansive corner homesite provides a level of space and privacy rarely found this close to the ocean, along with ample parking and an attached two-car garage. With no HOA, ocean views, the beach just across the street and an address along Myrtle Beach's iconic Golden Mile, 201 80th Ave N is a distinctive coastal residence offering an extraordinary combination of location, privacy and lifestyle.
