Description

Here's what Saturday at The Meridian looks like: Coffee in hand, you're on the sand at Isle of Palms in under ten minutes. Back by lunch, you catch a matinee at Towne Centre, one stoplight away. Dinner? Take your pick. You're surrounded! Coming home is easy too. This ground-floor condo means no stairs and no hauling coolers or groceries up a flight. At 1,165 square feet, it's one of the roomiest two bedroom layouts in the community. It's freshly painted, with hardwood and tile floors throughout, ready for sandy feet. The kitchen opens to a dedicated dining area that flows into the living room. The primary suite has a walk-in closet that actually fits a wardrobe and dual vanities, so nobody fights for the mirror. The second bedroom and bath sit on the opposite side, for guests or a home office. Outside, 33 acres of ponds and fountains become your backyard, with a resort-style pool, fitness center, pickleball, tennis, a playground, and boat storage. Live here full time, lock and leave, or rent it out. This one works however you want it to.
