Description

Welcome to 2016 Blessed Drive in Inman, SC, where new construction comes with a little more room to breathe. Set on approximately 0.57 acres in Innova Estates, this thoughtfully designed 3-bedroom, 2-bath home offers 1,911 square feet of single-story living, plus a dedicated office and 3-car garage. Inside, the vaulted living room feels open and inviting, with a ventless fireplace as the focal point and double doors opening directly onto the covered back patio—creating an easy flow between indoor and outdoor living. The kitchen is designed to feel clean, modern and welcoming, with a large center island anchoring the space and an open layout that keeps the kitchen connected to the main living and dining areas. Thoughtful finishes and contemporary details give it a polished look while still feeling warm and comfortable enough for everyday life. The split-bedroom layout gives the primary suite its own space, complete with a walk-in closet and a bathroom designed to stand out—a freestanding soaking tub, separate tiled shower with niche, glass shower. Two additional bedrooms and a full bath are located on the opposite side of the home, while the separate office gives you a flexible space for working from home, hobbies or whatever life needs next. LVP flooring runs through the main living areas and bathrooms, with carpet in the bedrooms and office. Outside, modern details continue with a black front door, black insulated garage door with tinted windows, landscaping, Bermuda sod and irrigation in the sodded areas. If you've been searching for a new construction home in Inman, SC with one-level living, a home office, a 2-car garage and more than half an acre, 2016 Blessed Drive brings all of it together in one beautifully finished home. And the location may be one of the best parts. Downtown Inman and the developing Saluda Grade Rail Trail are less than 1.5 miles away, putting local restaurants, events and a downtown that continues to add new places to explore practically in your backyard. Grab a board and a glass of wine at Spartanburg Charcuterie Company & Provisions, spend an afternoon downtown, or head toward Boiling Springs for Target, Starbucks and even more shopping and dining options. Lake Bowen is also nearby, while convenient access to I-26 and I-85 makes getting to Spartanburg, Greer and Greenville easy. Located in Spartanburg District 1, this is a chance to enjoy new construction in a growing part of Inman while still having the everyday conveniences you actually use close by. HOA includes internet service, common areas and neighborhood lighting.
