Description

Just minutes from Lake Hartwell, this beautifully updated home offers exceptional space for boats, RVs, vehicles, hobbies, and workshop projects. The expanded circular driveway provides easy access to an impressive 40' x 26' metal carport with electrical outlets and built-in storage, plus a 30' x 24' detached insulated garage featuring a mini-split system, 220V outlet, sink, abundant electrical service, additional covered parking with double gates, and a spacious rear storage room with a lawn-equipment ramp. Inside, the remodeled kitchen and dining area have been opened to create a bright, inviting floor plan. The kitchen features wood cabinetry, quartzite/marble countertops, updated appliances, and a natural-gas range. Luxury vinyl plank flooring and updated lighting extend throughout the home, while three sun tunnels fill the living room with natural light. A stone fireplace with ventless natural-gas logs adds warmth and character. From the living room is a new sunroom with an opening to a versatile enclosed "catio" suitable for pets or small chickens. Additional improvements include an expanded walk-in laundry room with storage and a utility sink, updated bathroom cabinetry with granite countertops, and a step-in shower in the primary suite. The primary suite offers a walk-in closet and glass doors to the outdoor living area featuring a new Trex deck with a pergola, overhead lighting, and a new spacious grilling patio overlooking the fenced backyard. Major upgrades include a 2025 architectural-shingle roof with gutters and gutter guards, a 2023 HVAC system, a natural-gas tankless water heater, updated attic insulation with an automatic exhaust fan, irrigation, gorgeous extensive landscaping, and hardwired security cameras. A rare combination of extensive updates, flexible outbuildings, and convenience to town. LOCATION!! 2 minutes from a Lake Hartwell fishing pier, 7 minutes to two different DEEP water boat landings, 5 minutes from dining and shopping on Clemson Blvd., 7 minutes to the interstate, 14 minutes to downtown Anderson, 25 minutes to Clemson University, and 35 downtown Greenville.
