Description

Enjoy fine Lowcountry living with a step outside the ordinary in this handsome, custom-built Highwood at Prince Creek home. Tucked along the beautiful Prince Creek Parkway is the gated community of Highwood, acclaimed for stunning architecture, lush landscapes, and choice amenities. On an oversized corner lot within the peace and quiet of Highwood, this home, custom built by Dawol Homes, offers single-level living with a private split floor plan, an exceptional finished top-floor living option, and a private backyard oasis with inground pool. The front circular drive and 9' solid wood, double-entry doors lay on the Southern charm and do not disappoint. The impressive and welcoming central common areas are suffused with abundant natural light with soaring tray and coffered ceilings trimmed in crown molding, Palladian windows with plantation shutters and warm nature-inspired designer colors and finishes. The great room, boasting a gas fireplace, overlooks the private pool and backyard, as does the gourmet eat-in kitchen boasting Sub Zero, Wolf and Miele appliances, prep island, generous cabinets/pantry, coffee station/wine bar, and breakfast nook. One wing of the private layout has two bedrooms with a Jack and Jill bath. A second full bath off the hallway features the convenience of an exterior door leading directly to the pool area. The huge primary bedroom suite on the other wing of this home offers ample space for a sitting area as well as three walk-in closets – two with custom shelves, drawers, and racks. The luxury bathroom includes two vanities, a step-in shower with multiple showerheads, and jetted tub. Also on the main floor is a formal dining room, home office with custom built-ins, and a spacious laundry room. On the top floor is an expansive suite complete with wet bar, walk-in closet, office nook or arcade, and full bath – perfect for a fourth bedroom, media/game room, in-law suite, home gym, or den. Additional home features include an outdoor kitchen with TEC infrared propane grill and 65-inch television, a 32' inground pool resurfaced in 2022 with timer-controlled fountains, mature landscape with beautiful magnolias and azaleas, an oversized sideloading 2-car garage, and whole house audio and security systems. New roof 2019. New primary HVAC, pool pump, and water heater 2024. Whole-house Le Bleu water tank available at multiple sinks throughout the home. Low HOA dues. Community amenities include clubhouse, fitness center, pool, and tennis court with basketball, pickleball and shuffleboard options. Convenient to shopping, schools, health care facilities, restaurant row and Marsh Walk in Murrells Inlet, Brookgreen Gardens, renowned golf courses, boat launches, and the beach.
