Description

Tucked away on 2.8 acres, this home was built in 2023 by a local builder. The welcoming open layout centers around a light-filled great room featuring a wood stove fireplace perfect for warming the house on a cool fall or winter day. The kitchen boasts granite countertops, stainless steel appliances, and a pantry accented with beautiful barn doors. The primary bedroom offers a private retreat complete with a dual vanity and a generous walk-in closet with built in shelving. This home also has 2 additional bedrooms and a full guest bath. Enjoy outdoor living at its finest from the wrap-around front porch or the screened-in breezeway connecting the house to the attached two-car garage. Out back, the fenced yard features a luxurious hot tub, offering the ultimate setup for relaxation or entertaining.
