Description

BACK ON MARKET DUE TO NO FAULT OF THE SELLER! Located in the heart of Greer while still offering a sense of privacy, this spacious and versatile two-story home features 5 bedrooms, 3.5 bathrooms, and a flexible layout designed to fit a variety of living needs. The main living spaces offer an open, functional flow, with the living room and fireplace connecting seamlessly to the kitchen, breakfast area, and dining space. The main level also features a convenient half bath, laundry room, ample storage, and a spacious primary suite with a full bathroom and walk-in closet — ideal for added privacy or multi-generational living. Upstairs, you'll find a second primary suite with its own full bath and walk-in closet, plus three additional generously sized bedrooms. A large upstairs flex space provides plenty of possibilities as a media room, playroom, home office, workout space, or second living area. The unfinished basement offers approximately 900 square feet of additional potential for storage, a workshop, gym, game room, or future finished space. Outside, enjoy the rear deck overlooking the backyard, along with an attached two-car garage. With generous square footage, 5 bedrooms, dual primary suites, flexible living areas, and additional basement potential, this home offers an impressive amount of space and versatility in a desirable Greer location. Taxes are currently calculated at the 6% rate and may be reduced if owner-occupied.
