Description

Looking for acreage, privacy, a pool AND room to grow? Welcome to 215 Thompson Road, a unique 3-bedroom, 2-bath ranch situated on more than 2 fenced and gated acres in the Sandy Flat/Locust Hill area of Taylors. The main level features hardwood floors and an open living and dining area with French doors that extend the living space outdoors to a spacious covered deck. This is the perfect spot to relax, entertain, or take in the view. The galley-style kitchen offers a functional layout and flows easily into the main living areas. The primary on main has a full bath and sits quietly at the rear of the home. Downstairs, the full above-ground basement adds incredible versatility and features a wood-burning fireplace along with French doors providing convenient access to the backyard and in-ground pool. Outside, enjoy your own private retreat with plenty of room to entertain, play, garden, or simply spread out. Follow the trails through the property to the pool storage building and fire pit, while the detached 2-car garage provides even more space for vehicles, storage, hobbies, or a workshop. The additional 20x30 covered awning is the perfect space to store your RV, boat, or recreational equipment. Perhaps one of the most exciting features is the approximately one acre of vacant land, offering additional possibilities for future use or potential building opportunities. Previous updates to the home include the heat pump, windows, covered deck, and vinyl deck railings. Enjoy a peaceful acreage setting while remaining convenient to Taylors, Greer, the brand-new Greer Preparatory Academy campus, Travelers Rest, and the growing Sandy Flat area. This one offers a combination that's getting harder to find!
