Description

Charming Retreat on Over Half an Acre with No HOA in Lexington!! Room to breathe, room to grow, and room to make it yours. Tucked away on a quiet cul-de-sac in the sought-after town of Lexington, this beautifully maintained 4-bedroom, 3-bath home sits on more than half an acre with no HOA in sight. Step inside to brand-new LVP flooring that flows from the living room through the dining room and kitchen. On cool fall and winter evenings, you'll want to be curled up by the wood-burning fireplace. Newly installed barn doors let you choose your layout, open and airy for gatherings or closed for a little separation when you need it. The kitchen has a large bay window that frames views of the backyard. It opens right into the dining room, where elegant wainscoting sets the scene for memorable dinners. Just outside, a big deck overlooks the expansive backyard. Picture morning coffee with the birds or summer BBQs that stretch into the evening. The main level features a primary suite with private en-suite, a perfect place to unwind after a long day, plus a second bedroom and full bathroom. Upstairs, you'll find two additional bedrooms with ample space, private closets, and a third full bathroom. The location is hard to beat. Interstates are minutes away, with shopping and dining close by. Public parks and beautiful Lake Murray are practically next door. The home is zoned for Lexington 1 schools and sits just a short drive from the tuition-free ALA charter school. Recent updates include: New septic and drain line (2019) New dishwasher and refrigerator (2024) New LVP flooring (March 2026) New front door (2026) New HVAC prior to closing. A well-cared-for home on over half an acre with no HOA doesn't come along every day. Schedule your showing today and come see why this one feels like home.
