Description

Looking for space and the opportunity to make a home your own? This 5-bedroom, 4-bath home on 4th Avenue in Conway offers a generous floor plan, a large lot and plenty of possibilities for an owner-occupant ready to add their own updates and personal touches. Step inside and you'll find some of the character of an older home, including wood flooring, a fireplace and traditional details. With three bedrooms on the main level and two additional bedrooms upstairs, the layout provides plenty of flexibility for bedrooms, home office space, hobbies, guests or additional living areas. Four bathrooms are an added bonus for a home offering this much space. Outside, a covered rear porch provides a welcoming place to sit and relax, while the large lot offers room to enjoy the outdoors. A one car detached garage which could be used as storage, garage or workshop. The home does need repairs and updating, but its size, floor plan and existing features provide a great starting point for a buyer who wants to improve a home over time and make it truly their own. Conveniently located in Conway with access to the area's shopping, dining and everyday amenities. If you've been searching for a home with more room and don't mind putting in some work, this property is worth a closer look. Sold AS-IS. Seller will make no repairs. Buyers are encouraged to perform their own inspections and due diligence regarding property condition, measurements, systems and financing eligibility. Property is owned by the US Dept. of HUD IN, Subject to Appraisal Seller makes no representations or warranties as to property condition. HUD Homes are sold AS IS Equal Housing Opportunity. Seller may contribute towards buyer's closing costs, upon buyer request, ask your agent for more details.
