Description

GUEST HOUSE, POOL, RV GARAGE - This beautifully updated estate features a main residence with 4 bedrooms and 2.5 bathrooms, plus a detached, self-sufficient guest house with 2 additional bedrooms and a bathroom featuring a walk-in shower. The main home is elevated by premium finishes, including plantation shutters and a mix of elegant hardwood and luxury vinyl tile (LVT) flooring. The kitchen comes equipped with stainless steel appliances, highlighted by a beverage cooler as well as a full gas range plus a wall oven. For indoor entertaining, the home boasts multiple living spaces, including a formal dining room with a butler's pantry, a spacious living room, a cozy den/office with built-in shelves and a fireplace, and a large entertainment room complete with a pool table. The property's outdoor oasis is excellent for enjoying South Carolina's beautiful weather, featuring an in-ground diving pool surrounded by a non-slip concrete deck and an expansive wooden deck perfect for hosting parties, weekend BBQs, and large gatherings with family and friends. In addition to an attached 2-car garage, a convenient detached RV garage offers ample space for vehicles, outdoor toys, or extra workshop storage. The secondary guest house dwelling is fully equipped with its own kitchen and living room. It provides an excellent setup for a dedicated guest suite or a long-term multi-generational layout, and it has been utilized as a successful short-term rental by the current owners.
