Description

Spacious, flexible, and built for modern living! This 5 bedroom, 3.5 bathroom home in Lexington offers 2,750 square feet with a layout that is perfect for multigenerational living, large households, or anyone needing extra space to spread out. Built in 2020 and zoned for Gilbert schools, this home sits in a neighborhood where the homes are thoughtfully spaced apart, giving you a more open feel and a huge backyard to enjoy. Inside, you'll find generously sized bedrooms throughout — each with its own walk-in closet! The upstairs features an incredible second living area/loft space along with an optional second primary suite complete with a private bathroom, walk-in closet, and balcony. With two separate laundry rooms, one on the main floor and one upstairs, the setup is as functional as it is spacious. If you've been searching for a newer home with room for everyone, flexible living options, and plenty of indoor and outdoor space, this one is a must-see!
