Description

Move-in ready and thoughtfully updated, 223 Donatella Drive offers a fresh, modern feel with valuable improvements already completed. Located in Goose Creek, this 3-bedroom, 2.5-bath home offers approximately 1,811 square feet of comfortable living space with a functional layout designed for everyday life. The interior has been refreshed with new neutral paint throughout, creating a bright and welcoming backdrop. Brand-new luxury vinyl plank flooring extends throughout the main level and wet areas, while new plush carpeting has been installed on the staircase and in every bedroom. The kitchen features granite countertops, premium stainless steel appliances, generous cabinet and counter space, and a brand-new back door providing convenient access to the backyard. Ceiling fans in every room add another layer of comfort throughout the home. Major system improvements include a roof replaced in 2023 and a new HVAC system installed in 2021, offering added peace of mind for the next owner. Even better, the solar panels are fully paid off and, according to the current owners, have averaged covering approximately 50% of their electricity needs, providing the opportunity for meaningful energy savings without an additional solar payment. With fresh finishes, newer major systems, paid-off solar panels and thoughtful updates throughout, 223 Donatella Drive offers the convenience of a truly turnkey home. Come see all this Goose Creek property has to offer!
