Description

Classic one-story brick patio home ideally located just 3.3 miles from I-26 and only 3.5 miles from major shopping and dining. Nestled within a well-established neighborhood of beautifully maintained homes, this property offers minimal traffic with a single entry and exit, creating a quiet and private setting. Upon entering through the side entry, you are welcomed by a foyer that opens into a spacious family room featuring a tray ceiling, gas fireplace, skylights, and custom built-in shelving. This inviting space also provides direct access to the screened porch, perfect for relaxing or entertaining. To the left of the family room, the formal dining room showcases a cathedral ceiling and convenient access to the updated kitchen. The kitchen is well-appointed with white cabinetry--some with glass fronts--black granite countertops and backsplash, stainless steel appliances, and updated luxury vinyl tile flooring that continues into the breakfast area. Moving toward the primary suite, engineered hardwood flooring leads you into a generously sized bedroom with a walk-in closet. A cozy sitting area off the rear of the suite offers additional access to the screened porch. The en-suite bathroom features dual vanities, a walk-in shower, and a garden tub. The secondary bedroom includes a tray ceiling, ceiling fan, engineered hardwood flooring, and ample closet space. An oversized two-car garage with a side entry and single wide door provides convenient access directly into the kitchen and breakfast area. Enjoy outdoor living on the screened porch, which opens to a patio ideal for grilling, all overlooking a private backyard. This low-maintenance home offers comfort, convenience, and easy access to shopping, dining, entertainment, and county parks.
