Description

Embrace your spacious 2200+ SQ FT, well-constructed 4 bed/3 bath home just off Hwy 9 in Spartanburg! Nestled between I-85 and Bus-85, the Riverrun community offers a peaceful setting without sacrificing the convenience of modern city life. Not only is the primary bedroom on the main level, but you'll also find a 2nd bedroom with a full bath close by that could potentially accommodate an in-law suite or similar living arrangement. Upstairs, you have what is essentially your 2nd living room along with the two remaining bedrooms and another full bath. Last, but certainly not least, is the amazing flex room that has been recently utilized as a media/entertainment space. Endless possibilities! For outdoor enjoyment and entertaining you have a large deck and privacy fenced-in back yard. You'll also find raised ceilings in the garage which give it a much larger feel and would also allow for plenty of additional shelving/storage options to be installed should the need arise.
