Description

Welcome to this serene property in Bucksport, a beautifully maintained 4-bedroom, 2-bath, complete brick home that blends comfort, style, and convenience with the added privacy of a split-bedroom floor plan. When stepping onto this piece of country living, you will find the home sits on a very generous 1.01 acres of land with endless possibilities, an outdoor storage shed, and an attached storage closet. Also, when stepping inside to find the kitchen equipped with a gas range, a breakfast bar perfect for all of your cooking necessities, and stainless steel appliances. The kitchen also includes a large pantry, perfect for storing all your essentials and keeping the space organized. Stepping into the primary suite, and a private retreat that's perfect for relaxing at the end of the day. A new roof was installed in the last 5 years, along with an HVAC system in 2021, and it is also equipped with gutters. Outdoor living is a dream, walking out to the patio with a lightly used Jacuzzi, perfect for entertaining or a nice relaxing night under the stars after a busy week. The privacy of trees around the property creates a peaceful and inviting outdoor setting with a fairly new 10 X 16 storage shed to store all of the outdoor hobbies and property maintenance equipment. This property provides a perfect blend of country charm while being outside city limits, giving you the tranquility of rural living with convenient access to modern amenities. Located just minutes from the shops, dining, and festivities of downtown Conway and the Riverwalk, this home also offers the best of the Grand Strand lifestyle, with only a 30-minute drive to the beautiful beaches. Don't miss your chance to own this move-in-ready piece of the countryside that perfectly combines modern updates and thoughtful personal touches.
