Description

What a great opportunity to own a home with front porch views of downtown Piedmont and glimpses of the Saluda River. This home is located in the sought after Anderson District 1 Wren Schools. There is easy access to I-85 and just about 15 minutes to downtown Greenville and Anderson, as well as being close to both Powdersville and Easley. It is minutes away from the new Piedmont Riverfront Park, where you can enjoy launching your kayak, fishing, or hiking the nature trails on this 21 acre park. This 4 bed 2 bath home still has the original hardwood floors, even under the carpet. What was once used as the master bedroom could be used as a separate living or dining room. Upstairs you will find 2 more large bedrooms. A new roof was installed in 2015, and a new instant hot water heater installed in 2014. Out back you will find a 28x40 building with electricity and 2 enclosed carports attached. This allows more space for parking or storing other equipment. Seller is leaving the air compressor and the electric hoist. These buildings offer lots of possibilities! There are 2 driveways for this home with additional parking in the back. Come and check out this great opportunity to own one of the mill homes of Piedmont.
