Description

There's something special about walking into a place and immediately being drawn to the view---and that's exactly what happens the moment you step inside this oceanfront condo at Compass Cove's North Tower. Unit 1218 isn't just a condo---it's your front-row seat to the Atlantic. Picture starting your mornings with coffee on your private balcony, watching the sun rise over the water, and ending your days with the sound of the waves just outside your door. It's the kind of setting that never gets old. Inside, the space is open, comfortable, and designed for easy coastal living. With three bedrooms and two full baths, there's plenty of room for family, friends, or guests. The full kitchen makes it easy to cook and gather, and having your own washer and dryer adds that extra level of convenience. Even better---it's being sold fully furnished, so you can walk in and start enjoying it right away. Whether you're looking for a personal getaway or a place to share with others, this condo offers flexibility and space to make it your own. And when you're not in your condo, Compass Cove delivers the full resort experience. Spend your days floating in the lazy river, relaxing in one of the many indoor and outdoor pools, or unwinding in the hot tubs. Grab a bite at The Crow's Nest Restaurant, enjoy a quick coffee from Compass Joe's, or take advantage of the fitness center, game room, and outdoor grilling areas. If you've been waiting for a place where the beach truly feels like an extension of your living room---this is it.
