Description

Picture it: a fall evening, a fire going, goats grazing in the field, where the sunrise and sunsets belong to you. Five acres. A 1950s build with the kind of upgrades that respect what was already good. A new water heater, Rain Gutters, Well system, recently pumped septic, new dishwasher and a new 2 car metal garage on a concrete pad makes this home stand out even more! Enjoy a dip in the pool and those evening cookouts on the deck. The primary bedroom features two walk-in closets, freestanding tub, and tons of space. For added convenience, fiber optic internet is available in the area. This turn-key homestead sits outside of town limits adding flexibility of use. Fall is coming. This is where you'll want to spend it! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
