Description

Welcome to your own private backyard retreat in Lexington's Wise Ferry Plantation, where a pool, pool house, covered outdoor living areas, and an incredibly convenient Lexington location come together in one standout property. Situated on a spacious .63-acre corner lot, with no HOA, this 3-bedroom, 2-bath home is just minutes from downtown Lexington, area schools, Lake Murray, shopping, dining, and nearby boat landings. The backyard is the centerpiece of the property. A sparkling inground pool anchors the outdoor living space, while the pool house with its own bathroom makes entertaining, pool days, and gatherings even more convenient. A large covered area provides additional space for outdoor dining, relaxing, or hosting friends and family, while the screened porch overlooks the pool and backyard. A koi pond, vinyl privacy fencing, large storage building, and additional covered parking complete the outdoor setup. Inside, the home offers a comfortable and updated layout with luxury vinyl plank flooring, fresh paint, and recently updated bathrooms. The spacious Owner's Suite features an impressive walk-in closet with custom built-ins, double vanities, a jetted soaking tub, and a large tile shower. A bright sunroom provides even more flexible living space and connects naturally with the home's outdoor entertaining areas. The inviting wrap-around front porch adds classic Southern charm and another place to relax and enjoy the setting. Additional highlights include a newer HVAC system, roof, generous storage including a shed in the backyard, a spacious corner lot, and multiple indoor and outdoor areas designed for everyday living and entertaining. If you're looking for a home near downtown Lexington and Lexington One Schools - Lake Murray Elementary, Beechwood Middle and Lexington High School - with a backyard that feels like your own private getaway, this Wise Ferry Plantation property delivers a combination that's difficult to find.
