Description

Alongside the 2nd hole of Keowee Key's renowned George Cobb-designed golf course sits 24 Anchorage Lane. This charming home combines main level living with an enviable location just down the street from the Clubhouse and Pro Shop. Welcoming curb appeal including the circular driveway, covered front porch and pergola over the attached garage. Step inside to see all of the updates and details throughout the home. The foyer ushers you into a huge, open and airy living room. A vaulted ceiling, skylights, and large window brings in plenty of natural light, while a white-painted brick fireplace anchors the space. French doors lead into a bright sunroom with tongue-and-groove ceiling, skylights, and even more windows. From the sunroom, step out onto the grill deck for an easy flow between indoor and outdoor living. Back inside, the kitchen features all-new appliances, a dry bar with wine rack, and a dining area by the window. Just off the kitchen is a walk-in pantry and a sizable laundry room with a sink, plenty of counter space, and ample cabinet storage. The primary suite features an ensuite bath with room for a tub, a walk-in tiled shower, double sinks, and a walk-in closet with plenty of shelving. Two additional bedrooms share a full bath, making this home the perfect size—not too overwhelming, but plenty of space to live and grow. Additional features include a large storage area inside the garage and a finished, insulated crawlspace. Move right in and enjoy one of the best offerings in the community—light, bright, no carpet, and golf course views! Keowee Key offers a resort driven lifestyle with an 18-hole golf course, fitness and racquet center with 14 tennis and 8 pickleball courts, walking trails, dining options, multiple marinas with fuel docks, a private swim beach, outdoor pools, and a 24-meter heated indoor pool. Under the direction of a new chef and community general manager, the social calendar, dining, and events are better than ever with three menus plus a plethora of activity clubs and events. Conveniently located just 20 minutes from Clemson University, one hour from Greenville, two hours from Atlanta, and 90 minutes from Asheville.
