Description

Located in the heart of Conway, Dove Crossing is a charming community that perfectly balances comfort, convenience, and coastal Carolina charm. Just minutes from historic downtown Conway, residents will enjoy easy access to unique shops, local dining favorites, and a thriving arts scene that includes highlights like the Theatre of the Republic and the scenic Riverwalk. The Galen floor plan features an open flow between the kitchen, dining and living area that is great for entertaining. The well-designed floorplan offers the open concept and a space that can be decorated and lived-in in many ways. A flex room off the foyer can be used as a formal dining room, office, playroom or den. The kitchen comes complete with a center island, granite countertops, a corner walk in pantry, 36" cabinets and stainless steel appliances including the refrigerator! A second floor owner's suite is large with massive closets and a bathroom that features double sinks, 5' walk-in shower, separate linen closet and plenty of space. Three secondary bedrooms and another full bathroom complete the upstairs area while providing a split bedroom floorplan for a private primary suite. Enjoy the coastal breezes on the covered back porch. Blinds are included on all standard size windows. This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone. *Photos are of a similar Galen home.
