Description

Welcome to 249 Rolling Woods Court in Hidden Brooke, a 4-bedroom, 3.5-bath home designed for the way life actually unfolds—quiet mornings, busy weekdays, overnight guests, big dinners and weekends when everybody somehow ends up at your house. The heart of the home keeps things open and connected. The kitchen brings together granite countertops, stainless steel appliances, generous cabinetry and a gas range, flowing naturally into the main living and dining areas. And then there's the first-floor primary suite. No waiting for "someday" to appreciate main-level living. Your primary retreat is already exactly where you want it. Upstairs, additional bedrooms and baths create separation and flexibility—giving you room for guests, hobbies, work-from-home space or simply the luxury of not having every part of life competing for the same square footage. Hardwood and tile add timeless character. An attached 2-car garage handles the cars, beach gear and everyday storage. And outside your front door, Hidden Brooke adds another layer to the lifestyle with a community pool, clubhouse and recreation amenities. But the number worth remembering is this: 2,982. That's nearly 3,000 heated square feet to spread out, settle in and stop wondering where everything is supposed to go. 4 BEDROOMS • 3.5 BATHS • 2,982 HEATED SQ. FT. • FIRST-FLOOR PRIMARY • OPEN-CONCEPT LIVING • GRANITE COUNTERTOPS • GAS RANGE • HARDWOOD + TILE • 2-CAR GARAGE • COMMUNITY POOL + CLUBHOUSE • HIDDEN BROOKE Some houses look big in the photos. This one gives you the square footage to prove it. Come walk 249 Rolling Woods Court and discover what nearly 3,000 square feet can do for everyday life.
