Description

The Rivertown Row neighborhood is a very well established quiet area. This corner lot home boasts just under a third of an acre of property. The split design home contains just over 1,800 sq. feet of heated living space. The three bedroom two bathroom home offers an open floor plan centered around a very generous granite counter island. The kitchen has all stainless steel appliances and offers natural gas for cooking. The very bright kitchen area offers modern cabinets, granite counter tops and recessed lighting. Just off the kitchen is a well placed breakfast nook and adjacent living room. Just outside of the living room you will be able to enjoy the enclosed lanai that also leads to an exterior concrete pad. The master suite is very generous in size and also has a very large walk-in closet. Much much more to list. Call today for a personal showing.
