Description

Welcome to 2732 Eclipse Dr., a beautifully maintained 4-bedroom, 2-bath home in the highly desirable Meridian community in Market Common. This exceptional Cali floorplan features the Optional Enlarged Living Room/Dining Room upgrade plus an additional living room window, making this home truly unique—it is perhaps the only Cali floorplan in the community with this particular upgrade. **Another important benefit: this home is NOT located in a flood zone, and the current owners have not been required to carry flood insurance.** The open-concept design creates a bright, spacious, and inviting atmosphere throughout the main living areas. The large kitchen features granite countertops, tile backsplash, stainless steel appliances, a generous center island with a decorative tile kickplate, and a large walk-in pantry. The island overlooks the living room, creating an ideal layout for entertaining and everyday living. The spacious owner's suite offers beautiful views of the lake and fountain and features a large owner's bath with a double vanity, large step-in shower, and large walk-in closet. The home has been thoughtfully upgraded and maintained by the current owners. Improvements include interior painting in 2024, new plush carpeting in the bedrooms in 2024, and new LVP flooring in the entry, kitchen, living room/dining room, and bathrooms in 2021. Additional improvements include updated light fixtures and cabinet hardware, LED lighting throughout completed in 2024, ceiling fans throughout, comfort-height toilets, gutters, and pull down stairs with attic storage in the garage and an epoxy floor. A stylish shiplap accent wall adds character to the dining area. Step outside and enjoy the peaceful lake and fountain views from the paver patio, complete with a firepit, accent lighting, and aluminum fencing—all added in 2021. The front and side yards have also been enhanced with attractive curbscaping and rubber mulch. Living in Meridian means enjoying an impressive collection of amenities designed for an active, resort-style lifestyle. Residents have access to an outdoor pool, hot tub, air-conditioned pickleball court, open-air amenity center, and miles of biking and walking opportunities. And perhaps one of the best parts of living in Meridian is the location and lifestyle. Take your golf cart for a day at the beach or head over to Market Common for dinner, shopping, entertainment, and more. A newly designed path from the neighborhood provides walkers with a direct connection to the restaurants, shopping, entertainment that make the Market Common area such a popular destination. With its unique Cali floorplan, extensive upgrades, beautiful lake and fountain views, exceptional outdoor living space, resort-style amenities, and unbeatable Market Common location, 2732 Eclipse Dr. offers the perfect combination of comfort, convenience, and coastal lifestyle. This is a home that has been lovingly maintained and thoughtfully improved and is ready for its next owners to enjoy.
