Description

Welcome to 276 Alexandra Drive, Unit 1, an updated two-bedroom, two-bath condo offering ground-floor convenience, flexible living space, and a highly accessible Mount Pleasant location. With a low-maintenance, lock-and-leave lifestyle, this move-in-ready condo is well suited for buyers seeking a primary residence, Charleston-area retreat, or conveniently located home near downtown Charleston and the beaches. The interior has been refreshed with new flooring, updated showers, and updated quartz countertops. A separate flex space provides valuable additional room for a home office, study, fitness area, reading nook, or creative space. The functional floor plan offers comfortable separation between the bedrooms, living areas, and work-from-home space. Located on the ground floor, Unit 1 offers easy everyday access without interior stairs. The combination of recent updates, two full bathrooms, versatile square footage, and minimal exterior maintenance makes this an appealing option for buyers searching for a Mount Pleasant condo or lock-and-leave home. Everyday shopping and dining are nearby, including Harris Teeter, Whole Foods Market, coffee shops, restaurants, fitness studios, and retail. Mount Pleasant Memorial Waterfront Park, the Ravenel Bridge pedestrian path, Patriots Point, Shem Creek, and the Old Village are also within a short drive. The property is approximately 5 miles from the College of Charleston, 5.4 miles from Sullivan's Island Beach, 15 miles from Boeing South Carolina, and 16 miles from Charleston International Airport. Downtown Charleston is easily accessible, while Sullivan's Island, Shem Creek, and other popular Mount Pleasant destinations are close enough to enjoy regularly. Whether you are searching for an updated condo in Mount Pleasant, a ground-floor home near Charleston, a property close to Sullivan's Island Beach, or a low-maintenance lock-and-leave residence, 276 Alexandra Drive, Unit 1 offers flexibility, convenience, and a central location.
