Description

Welcome to this two-story home that perfectly blends timeless Lowcountry architecture with thoughtful updates. Set on a fenced 2-acre lot with serene pond views and room for a pool, this property offers exceptional indoor-outdoor living. The inviting main level features a guest bedroom and full bath, ideal for visitors or multi-generational living. The chef's kitchen impresses with double islands, abundant cabinetry, quartz countertops, stainless appliances, and a generous breakfast/keeping room that flows seamlessly into the main living spaces. Just inside the sought-after three-car garage, you'll find a convenient drop zone--perfect for everyday organization. Upstairs, the primary suite anchors a well-designed second floor that includes three additional bedrooms, a recreation room laundry area, and a flexible office/exercise space. The third floor offers unfinished walk-up storage, already pre-plumbed for future bath, providing endless potential for expansion. Outdoor living shines with a large screened porch overlooking the fenced yard and pond, creating a peaceful backdrop for entertaining or relaxing. Freshly painted interiors and new carpet throughout make this home move-in ready. Classic Charleston style, modern functionality, and space to grow--this home delivers it all.
