Description

Offered at 35K below its 2025 appraised value, this furnished coastal retreat delivers exceptional value, unforgettable views, and effortless beach living. Beach houses on stilts are a rare find in the Shore Drive area, and ocean views make this one even more special! You'll walk inside and say, "this is the one". Ocean views are visible throughout the home, so you can enjoy the view throughout. This is not simply a home with an ocean-view porch; the Atlantic is part of the experience from the main living areas, kitchen, dining spaces, covered porch, and ocean-facing bedrooms. Inside, the bright, open layout features soaring vaulted ceilings, skylights, a fireplace, abundant windows, granite countertops, stainless-steel appliances, and inviting coastal décor. Multiple gathering spaces make the home equally suited for relaxing vacations, year-round living, and entertaining guests. The elevated design provides generous covered parking and additional ground-level space. The exterior was freshly painted in spring 2026, and the property is being sold furnished for an easy, turnkey transition. The homeowners association simplifies coastal ownership by covering the roof, exterior maintenance, exterior painting, grounds, community insurance, and Spectrum service. Residents also enjoy a community pool. Owners may have a pet and golf cart, and short-term rentals are allowed. Motorcycles are not permitted. Located just steps from the beach and outside the Myrtle Beach city limits, the home is around the corner from Maisons Sur Mer and near Apache Pier, restaurants, shopping, golf, pier fishing, and the attractions of the Grand Strand. Enjoy a morning walk to the sand, afternoons by the pool, and evenings taking in the ocean from home. Whether you are searching for a primary residence, second home, or furnished beach rental, this property offers the rare opportunity to enjoy ocean views from nearly every room — without oceanfront pricing. Come experience the view, location, and relaxed coastal lifestyle for yourself, and secure this one for yourself before it's gone.
