## Description

This beautiful country home checks all the boxes for easy, peaceful living. From the moment you step inside, you are welcomed by soaring 18-foot ceilings, abundant natural light, and an inviting open-concept floor plan that creates a spacious and airy atmosphere. The kitchen is designed for both everyday living and entertainment, featuring durable LVP flooring, custom-built cabinetry, a massive island, a gas range, and a double oven. The open layout flows seamlessly into the living area, making it easy to gather with family and friends. The living room is full of character, with a custom-built entertainment center as its focal point. A gas fireplace surrounded by custom brick adds warmth and charm, creating the perfect space to relax and unwind. The dining room and screened-in porch provide additional space for entertaining and enjoying time with family and friends. Whether you're hosting a large gathering or simply enjoying a quiet evening at home, this home offers plenty of opportunities to make lasting memories. The spacious primary suite provides relaxing retreat with two walk-in closets, a beautifully tiled shower, whirlpool tub, and dual vanities. With 4 bedrooms, 3 full bathrooms, and approximately 2,400 square feet, this home offers plenty of space for family and loved ones. Additional features include spray foam insulation in the floors, ceilings, and walls, helping maintain consistent temperatures throughout the home and adding to its overall comfort. The crawl space also features a vapor barrier, providing an additional layer of protection for the home. If you're looking for a home that combines peaceful country living, spacious interiors, and inviting spaces for gathering and entertaining, this home is ready to welcome you.
