Description

****THIS IS WHAT “A LITTLE MORE ROOM” ACTUALLY LOOKS LIKE.**** More room outside. More room for the tools. More room for the projects. And when the work is done? ****There’s a hot tub waiting on the back porch.**** Welcome to ****3050 Johnson Loop in Gresham****, a 3-bedroom, 2-bath home sitting on approximately ****0.81 acres with NO HOA**** and the kind of practical extras that make country living work. Inside, approximately ****1,280 square feet**** offers a spacious, comfortable layout designed for everyday life. Three bedrooms give you flexibility. Two full baths keep mornings moving. And the single-level floor plan keeps everything straightforward and accessible. But this property starts getting especially interesting when you step outside. Out back, a ****private porch with a relaxing hot tub**** creates your own end-of-the-day escape. Coffee in the morning. Dinner outside. A quiet evening under the Carolina sky. Or skip all of that and go straight for the hot tub. ****We won’t judge.**** Then there’s the space that actually earns its keep. A ****covered carport**** provides convenient everyday parking, while the ****detached storage building with its own one-car garage**** gives you somewhere for the tools, equipment, hobbies, projects and everything else that deserves more than a corner of the house. And with approximately ****0.81 acres****, you've got breathing room around it all. No tightly packed neighborhood feel. No subdivision amenity package you didn't ask for. And one particularly nice phrase: ****NO HOA.**** Just a home, land, storage, garage space and an outdoor setup designed for slowing down when the day is over. ****3050 JOHNSON LOOP | GRESHAM, SC**** 3 Bedrooms • 2 Full Baths • Approx. 1,280 Sq.
