Description

Meet the Hartwell, where thoughtful design meets effortless everyday living. This four-bedroom home balances privacy and togetherness with a split-bedroom layout. Two secondary bedrooms share a convenient Jack-and-Jill bath at the front of the home, while a fourth bedroom--ideal for guests or a home office--sits off the main hallway with its own walk-in closet and nearby full bath. The open-concept living area is made for connection, with a generous kitchen island that anchors the space and flows into the dining area and family room. From there, step right onto the covered patio--perfect for outdoor meals
