- Traditional

Description

Welcome to this impeccable and very cared for 3-bedroom, 2-bath home in the beautiful Pelzer area, sitting on a spacious 0.57-acre lot with no HOA. From the front porch to the fenced backyard, there's plenty of space here to enjoy both inside and out. The main level has a comfortable living room with a cozy fireplace, a recently updated kitchen with newer cabinets and granite countertops, breakfast area, and a formal separate dining room. The primary bedroom is also on the main floor and the primary bath is very spacious with a garden tub and separate shower. With two additional bedrooms upstairs and another full bath, there is room for family, guests, or an office. Outside, the fenced in backyard has plenty of room to enjoy, plus an above-ground pool, deck, and patio that are ready for warmer days and weekends at home. One of the best bonuses is all the extra space outside. With a detached carport and workshop, there's room for vehicles, storage, tools, hobbies, or projects without taking over the house. Located in Anderson County and zoned for Wren schools, this home gives you over half an acre, no HOA, a pool, and plenty of extra storage and workspace—all in an established neighborhood.
