Description

The Atkinson covers 1,347 square feet, with three bedrooms, two full baths, and a two-car garage. Featuring white Aristokraft cabinets in kitchen and bathrooms. Kitchen features GE Stainless appliances with range, microwave, and dishwasher, Granite countertops, 3x6 backsplash, pantry, and island/breakfast bar with pendant lighting. The kitchen opens directly into the dining area and family room which is great for entertaining or family get togethers. A pocket office with built in desk is located off the family room and is a great addition to any home! Mohawk LVP flooring runs throughout in foyer, hallways, laundry room, kitchen, dining/family room, pocket office and bathrooms with carpet in bedrooms. The Family room features an electric fireplace and LED lighting. This split floorplan offers secondary bedrooms and a shared bath sitting near the front of the home, while the primary suite holds its own corner at the rear of home, complete with a walk-in closet and private bath. The covered patio off the back extends the living space outside, giving a comfortable place to unwind once the day winds down. Notable highlights: A walk-in laundry room sits just off the garage entrance. Exterior flood lighting covers the outside of the home as well as full yard irrigation system and gutters! Construction of this home will be starting soon. Photos are of an artist's rendering, previously built home and/or a furnished model home and are for representation only. **All room sizes and squarefootage could vary per elevation of plan and should be verified by buyer.
